## WHAT WE WILL NEED FROM YOU:

\* Please have all cars moved from the work area. Any car not moved will be **towed at Owners Expense**.

\*Please have cars out of Garages and parked outside of work area. Any car left in the garage after the road work has started will have to remain in the garage until the street is reopened.

\*Please abide by the road closure and do not enter the construction area until all barricades are removed.

\*Please be understanding. The schedule is only a projected timeline and does not take any weather days into account.

All Maps are located at the Mail Center
